

INTERNATIONAL CONFERENCE ON  
MOLECULAR MEDICINE, REPRODUCTION AND ENDOCRINOLOGY 2023  
and

40<sup>th</sup> ANNUAL MEETING OF THE SOCIETY FOR REPRODUCTIVE  
BIOLOGY AND COMPARATIVE ENDOCRINOLOGY (SRBCE 2023)

Call for Papers

14th – 16th SEPTEMBER, 2023

**NAVRACHANA  
UNIVERSITY**

Organised by

DIVISION OF BIOMEDICAL AND LIFE SCIENCES  
School of Science,  
NAVRACHANA UNIVERSITY, VADODARA

**VENUE**

Auditorium Block-A,  
Navrachana University, Vasna-Bhayli Main  
Rd., Bhayli, Vadodara-391410

Website: [www.icmmre.co.in](http://www.icmmre.co.in)

## ABOUT THE CONFERENCE:

ICMMRE-23 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Molecular Medicine, Reproduction and Endocrinology. It would provide an interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in these fields. Recent developments in the fields of molecular biology, genomics, proteomics, chemical and physical sciences have given a fillip to a greater understanding of general and clinical aspects of reproduction, endocrinology, disease diagnostics and therapeutics. ICMMRE-2023 is a platform for discussing both basic and applied aspects of Reproduction, Endocrinology and the molecular basis of diseases and therapeutics. It is an interdisciplinary conference where aspects of animal reproduction, endocrines and endocrine disorders, reproductive technologies and therapeutic interventions shall be discussed.

## CONFERENCE THEMES:

### General and Comparative Endocrinology

- Comparative Endocrinology
- Molecular Endocrinology
- Clinical Endocrinology
- Neuroendocrinology
- Immunoendocrinology
- Oncological Endocrinology
- Stress Endocrinology
- Chronobiology and Hormones
- Invertebrate Endocrinology and Reproduction
- Indian traditional and Folklore medicines for endocrine disorders

### Translational Research

- Innovations in Biological Science in healthcare
- Molecular Medicine
- Molecular Diagnostics
- Phytotherapeutics
- Assisted Reproductive Technologies
- One Health Concept

### General and Clinical Reproduction

- Lifestyle disorders and Hormones
- Hormones and Reproductive Health
- Endocrine Disruptors and Health Hazards
- Metabolic Disorders and Hormones
- Maternal and Foetal Health

## ABOUT NAVRACHANA UNIVERSITY

Navrachana University was established through the Gujarat Private Universities Act, 2009 with the intent to offer superior education that beats the high educational standards of the Navrachana Education society in Vadodara. Traditionally, the purpose of college education has been to create individuals who know everything about something. Unfortunately, this methodology also results in individuals who know little about anything else, except their subject.

The University has embarked on a new educational paradigm that lays simultaneous emphasis on disciplinary education, inter-disciplinary education, professional education and general education. This paradigm is facilitated by the University's unitary character and offers comprehensive learning and helps develop T-shape students who have a breadth of knowledge through general and inter-disciplinary education and a depth of knowledge through focused disciplinary education.

## SCHOOL OF SCIENCE

The School of Science at Navrachana University focuses on in-depth scientific inquiries that delve into theory and push the frontiers of science to shape the future. The programs are designed to bridge the gap between the student's aspirations and industry expectations. Working in close association with industrial and academic experts, the School offers several unique undergraduate and postgraduate programs in the field of Science, with degrees in BSc (Chemistry, Biochemistry, Microbiology & Life Sciences), Integrated BSc-MSc (Biomedical Science) and MSc (Chemistry, Microbiology, Life Science & Biotechnology).

## ABOUT SRBCE

The SRBCE, a registered scientific society in India, had its genesis at the Department of Endocrinology, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani Campus, Chennai- 600 113 in April 1980 under the inspiration and leadership of Prof. P. Govindarajulu. The SRBCE is one of the most regular, vibrant scientific societies in India with a regular annual meet in different parts of the country. The annual meet provides a platform for all scientists working in the fields of Endocrinology and Reproductive Biology to exchange ideas, update their knowledge and interact freely. Comparative endocrine studies have greatly expanded our knowledge base of nondomestic forms and also contributed greatly to the understanding of regulatory and adaptive mechanism.

## EMINENT SPEAKERS:

**Padma Shree Dr. Mohan,**  
Diabetologist  
Chennai, India

**Prof. Paul J. Verma**  
South Australian Institute  
of Research and Development  
Australia

**Prof. Hamid Habibi**  
University of Calgary  
Canada

**Prof. Matt Vijayan**  
University of Calgary  
Canada

**Prof. Rebecca Garcia**  
Bob Jones University  
USA

**Prof. Venu Raman**  
John Hopkins School  
of Medicine, USA

**Prof. Mustafa Naziroglu**  
Suleyman Demirel University  
Turkey

**Dr. Deepak Modi**  
NIRRH, Mumbai, India

**Prof. Ishwar Parhar**  
Monash University  
Malaysia

**Dr. Srabani Mukherjee**  
NIRRH, Mumbai, India

**Prof. Rakesh K. Tyagi**  
JNU, New Delhi, India

**Prof. Sudha Warriar**  
Manipal Academy of  
Higher Education, India

**Prof. Suresh Mishra**  
University of Manitoba  
Canada

**Dr. Herman Fernandes**  
Scientific Director,  
Family Fertility Centre, Australia

**Prof. Oliana Carnevali**  
Università Politecnica delle  
Marche, Italy

## ORGANISING COMMITTEE

Patron

**Prof. Pratyush Shankar**  
(Provost, NUV)

Co-Patron

**Dr. Sandeep Vasant**  
(Registrar, NUV)

Convener

**Prof. A. V. Ramachandran**  
(Professor Emeritus And Mentor, SoS, NUV)

Organising Secretary

**Dr. Darshee Baxi**  
(Associate Professor, SoS, NUV)

Jt. Organising Secretary

**Dr. Elizabeth Robin**  
(Associate Professor, SoS, NUV)

Treasurer

**Dr. Parth Pandya**  
(Assistant Professor, SoS, NUV)

### ADVISORY BOARD

Prof. Oliana Carnevali

Prof. Adolfo Garcia- Ocano

Prof. Hamid Habib

Prof. Rakesh Tyagi

Dr. Krishna Chaitanya

Dr. Suresh Yenugu

Prof. Matt Vijayan

Dr. Rebecca Garcia

Prof. V. Padmanabhan

Dr. Mayuranki Almaula

Dr. Sushma Baxi

Dr. Ranjitsinh V. Devkar

Dr. Giulia Guerriero

Dr. C.N. Ramchand

Prof. M. Michael Aruldas

Dr. Durga Rao

Dr. M. A. Akbarsha

Dr. Durgesh Sharma

### REGISTRATION FEES

Title	Domestic	Domestic (SRBCE Members)	International
Faculty Members and Scientists	Rs. 6000	Rs. 5000	\$100
Research Students (Stipendiary)	Rs. 4000	Rs. 3000	\$75
Research Students (Non Stipendiary)	Rs. 3500	Rs. 2500	\$75
PG/UG Students	Rs. 2500	Rs. 2500	\$50
PG/UG Students (for NUV)	Rs. 2000	Rs. 2000	-

- For registration please click here : <https://nuv.ac.in/cpe-regn/>
- Visit our Website : [www.icmmre.co.in](http://www.icmmre.co.in)
- Email address: [icmmre2023@gmail.com](mailto:icmmre2023@gmail.com)
- Selected papers will be published in the "Proceedings of International Conference on Molecular Medicine, Reproduction and Endocrinology" as a special issue of the Journal of Endocrinology and Reproduction (JER).
- For details of abstracts / Paper / Poster / submission please visit the website.
