Call for Abstracts for platform and poster presentations

The Society for Reproductive Biology and Comparative Endocrinology (SRBCE) encourages young scientists and students to participate, discuss and promote research in the areas of reproduction and endocrinology. There are several awards for poster / platform presentations. Some of the proceedings may be published in the society journal, 'Journal of Endocrinology and Reproduction' after formal reviewing procedure. Non-SRBCE members are welcome to participate in the symposium but will be required to enroll for SRBCE membership at the symposium venue.
